

Ninety-Third Annual

# *Commencement*

Friday & Saturday, May Eighth & Ninth  
Two Thousand and Twenty

---

## A Message from the President

I want to welcome you to our 93rd Commencement ceremony, where we celebrate the successes of nearly 900 graduates who now join the Nazareth family of more than 34,000 alumni.

The mission of Nazareth College is “to provide a learning community that educates students in the liberal arts, sciences, visual and performing arts, and professional fields, fostering commitment to a life informed by intellectual, ethical, spiritual, and aesthetic values; to develop skills necessary for the pursuit of meaningful careers; and to inspire dedication to the ideal of service to their communities.”

We take seriously that sense of mission and purpose. I am most proud that we have the blend of excellent learning, inclusion, engagement, and compassion that enables us to prepare our students for their careers and lives. I firmly believe that a college education has a ripple effect across generations. Our job is to create opportunity where none existed before—opportunity to learn, opportunity to grow, and opportunity to serve. At Nazareth, we give a great deal to our students during their time with us, but perhaps the greatest gift of all is the opportunity to give back and make a significant difference in the world their children will inherit.

I am confident that the graduates we recognize today are well prepared to make a difference. Congratulations to each of you.

Sincerely,

A handwritten signature in black ink that reads "Daan Braveman". The signature is written in a cursive, flowing style.

Daan Braveman  
*President*

---

## A Note from the Alumni Board President

I would like to take this opportunity to extend my personal welcome to our newest group of alumni—the Class of 2020! Today, you join a group of 35,000 Nazareth alumni who have distinguished themselves in their personal, professional, and service lives.

I encourage you as alumni to remain as connected and committed to each other and Nazareth in the future as you are right now. Nazareth College has maintained a long tradition of alumni interest and participation. Your involvement and support are critical to the success of our alma mater.

Starting today, your lives will take you in many different and rewarding directions. Although many things will change, I trust that your memories of Nazareth will remain.

Congratulations and welcome to the Nazareth College Alumni Association. Best of luck and best wishes!

Jennifer Medden Giessler '95

*President of the Nazareth College Alumni Board*

## Candidate for Honorary Degree of **DOCTOR OF LAWS**

### **Elizabeth R. McAnarney, M.D.**

Dr. Elizabeth “Lissa” McAnarney is professor and chair emerita of the Department of Pediatrics at the University of Rochester Medical Center (URMC). She is a graduate of Vassar College and earned her medical degree and an honorary degree, D.Sc. from SUNY Upstate Medical University, where she completed her internship and residency. She arrived at the University of Rochester in 1968 and joined the faculty at the URMC one year later; in 1972, she became chief of the Division of Adolescent Medicine, a position she would hold for the next 22 years.

In 1993, Dr. McAnarney took on the dual role of pediatrician-in-chief of the children’s hospital, and chair of the Department of Pediatrics, making her the sixth chair in the department’s history and the first woman to serve in the role. During her 13 year tenure, full-time pediatric faculty doubled in size as did national and state grant support. During this time, she also envisioned something for Rochester that many others did not: a transformed children’s hospital that would rival the best in the nation. This vision, and her leadership during this time, led to a transformative gift of \$14 million from B. Thomas Golisano in 2002 – then the largest gift from a living donor ever received by the University of Rochester. The Strong Children’s Hospital was renamed “The Golisano Children’s Hospital at Strong” in his honor.

Dr. McAnarney was named a University of Rochester Distinguished University Professor in 2018 – the highest title that the university bestows on its faculty. She is only the 13th recipient of the title in the university’s history, and is the first woman to receive the honor. In 2013, she received the John Howland Medal from the American Pediatric Society, the highest honor bestowed by the institution. She is a recipient of the Women’s Council of Rochester’s Athena Award, Susan B. Anthony’s Lifetime Achievement Award, Rochester Academy of Medicine’s Albert David Kaiser Medal, and Upstate Medical University’s Distinguished Alumna Award.

Dr. McAnarney was elected to the Society for Pediatric Research, the American Pediatric Society, as Fellow of the American Association for the Advancement of Science, and named to the prestigious Institute of Medicine. She served as president of the Society for Adolescent Medicine, the Association of Medical School Pediatric Department Chairs, and the American Pediatric Society.

Dr. McAnarney has served on the Nazareth Board of Trustees since 2008 and is an active member and chair of the Trustee Faculty Committee and Academic Affairs Committee.

---

## Candidate for Honorary Degree of **DOCTOR OF HUMANE LETTERS**

### **Ms. Ann M. Costello**

Ann Costello is executive director of the Golisano Foundation, one of the nation's leading foundations dedicated exclusively to helping individuals with intellectual and developmental disabilities. Ms. Costello has worked for more than 30 years in the non-profit sector, primarily in human service administration, philanthropy, and organizational policy development.

She joined the Foundation as director in 1999 and has redefined the Foundation's role in the intellectual disabilities service arena as a proactive partner and catalyst for transformation. Ms. Costello is an integral advocate and participant in the strategy to advance Special Olympics Global Healthy Communities initiative to expand inclusive access to health-related services to people with intellectual disabilities around the world.

Under her leadership the Foundation has supported and launched many innovative partnerships and community programs including Nazareth College's Golisano Training Center (GTC) which opened last fall. The college partnered with the Golisano Foundation and Special Olympics to construct this inclusive training facility, a first of its kind collaboration on inclusion, fitness, and wellness for athletes of all abilities to become a national model of "Wellness for All". The foundation's \$7.5 million gift to support the GTC was the largest in the college's history.

Ms. Costello was recognized in 2016 by the American Academy of Developmental Medicine and Dentistry with the Katie Beckett Advocacy Award. In 2017, the Ability Partners Foundation recognized her with the Humanitarian of the Year Award and in 2018 along with the Golisano Foundation she was named Associate of the Year by WXXI to recognize her significant contribution in support of WXXI's mission of public service.

Costello earned her Master's Degree from the University of Pennsylvania, School of Social Policy and Practice, and also served as a Research Fellow at the School's City and Regional Planning.

## FULBRIGHT SCHOLARSHIP RECIPIENTS

The Fulbright Program is America's flagship international education exchange, sponsored by the U.S. Department of State "to increase mutual understanding between the people of the United States and the people of other countries." The program is the largest U.S. international exchange program, offering opportunities for students, scholars, and professionals to undertake international graduate study, advanced research, university teaching, and teaching in elementary and secondary schools worldwide. Students selected for a Fulbright award go abroad through this program the year after they graduate.

Nazareth College earned the number-one spot in the "Master's Institutions" category in *The Chronicle of Higher Education's* Top Producers of U.S. Fulbright Students list in 2012–13 and has appeared on the Top Producers lists for the past four years.

## ACADEMIC HONORS

### **CUM LAUDE**

The baccalaureate degree is awarded *cum laude* to students who have earned a cumulative quality point index of 3.5 or higher, *magna cum laude* to students who have earned a cumulative quality point index of 3.75 or higher, and *summa cum laude* to students who have earned a cumulative quality point index of 3.9 or higher.

### **HONORS PROGRAM**

Students who are graduates of the Nazareth College Honors Program have completed academically challenging coursework and successfully defended an in-depth thesis project working closely with faculty mentors.

### **PHI KAPPA PHI**

Phi Kappa Phi is a national honors society with more than 300 chapters. Students are invited to join and initiated into Phi Kappa Phi during the spring semester. Those students in the top 7.5 percent of their class as juniors or the top 10 percent of their class as seniors and graduate students are invited to join Phi Kappa Phi. Students invited to join have also completed at least 24 semester hours at Nazareth (18 for graduate students).

---

## ACADEMIC REGALIA

The academic regalia worn in commencements across the country today originated in the Middle Ages. By 1894, the American Intercollegiate Commission had standardized the academic regalia, and, as a result, hoods and gowns came to symbolize the type of degree attained.

There are three types of gowns and hoods: Bachelor's, Master's, and Doctor's. The Bachelor's gown is made with an open or closed front and has long pointed sleeves. The velvet edging on the hood is the narrowest and least exposed of the three degrees. The Master's gown is an open-front garment with long closed sleeves. The ends of the sleeves are square on the Master's gown, and the velvet edging on the hood is somewhat wider than on the Bachelor's hood. The Doctor's hood has the widest velvet edging of the three, and the gown is an open-front garment with round, bell-shaped sleeves. There are wide, black velvet panels or facings down the front of the Doctorate gown, with three velvet bars on each sleeve. The velvet on the Doctor's gown may be the color of the degree, rather than black.

The lining of the hood indicates the colors of the institution conferring the degree. Nazareth College's colors are purple and gold. The border of the hood indicates the academic discipline in which the degree was earned:

Doctor of Physical Therapy	green
Master of Science in Education	light blue
Master of Science	gold
Master of Arts	white
Master of Music	pink
Master of Social Work	yellow
Bachelor of Arts	white
Bachelor of Science	gold
Bachelor of Music	pink
Bachelor of Fine Arts	brown

Study abroad participants wear a stole that identifies the principal country where the student studied. These students must have studied overseas through a program offered by Nazareth College or another university. This stole recognizes their academic achievement and commitment to civic engagement in a global context.

## NAZARETH COLLEGE SHIELD

The Nazareth College shield is imbued with symbolism that serves as a visual representation of the College's campus community and academic character.

### WING

- Golden Flyers
- Intercollegiate athletics

### LATITUDE LINES

- International impact
- Study abroad
- Global focus

### STRIPES

- Dedication to veteran students
- Academic liberty

### RIB CAGE

- Health sciences
- Biology

### LAUREL BRANCH

- Strong liberal arts tradition
- Academic integrity and achievement
- Natural setting of campus

### COMPASS

- Leading students to their place in the world, their community, and the marketplace
- Helping students nurture their moral guide
- Northeastern U.S. location

---

## NAZARETH COLLEGE HIGHLIGHTS 2016–2020

Nazareth College is committed to providing state-of-the-art facilities and programs to better prepare its students for their life's work. The College continues to invest resources in improvements to residential and academic buildings and technology.

### ACADEMIC FACILITIES

The Golisano Training Center, a \$23.8 million campus improvement, opened in fall 2019. It complements Nazareth's existing athletic facilities while providing a venue for regional Special Olympics initiatives and creating a new model of inclusion, fitness, and wellness. Its indoor track, field, courts, and training facilities offer unique opportunities for collaborative learning and training.

Thanks to a \$500,000 gift from the William and Sheila Konar Foundation, the College built the Konar Center for Tolerance and Jewish Studies at Nazareth in 2019 to help promote religious diversity. Hava Leipzig Holzhauser, J.D. was named as executive director.

The \$15.5 million Jane and Laurence Glazer Music Performance Center opened in fall 2018 as an extension of the renowned Arts Center. It provides the highest caliber performance space for professional and student musicians alike. The stage is designed for large stage and instrumental groups while the 550-seat performance hall offers an intimate audience experience and is engineered for a premier acoustic experience.

---

The Center for Life’s Work in the Golisano Academic Center—encompassing the Center for Civic Engagement, Internships, and Career Services—underwent major renovations during fall 2017, providing more comfortable and inviting spaces for students and giving the center and its personal career coaches a more visible presence on campus.

The Stone-West Admissions House was renovated in 2016 to create a more welcoming atmosphere for prospective students.

## **RESIDENTIAL FACILITIES**

Several residence halls have recently been renovated. Most rooms for freshmen were remodeled in 2018 with efficient, modern furniture. Founders Hall reopened again in 2016 after major renovations to its bathrooms and 44 single student rooms. Kearney Hall bathrooms, hallways, and message boards were enhanced, the Kearney/Lourdes Dining Hall was updated, the French House got new windows, and all residence halls received updated laundry facilities.

## **ENROLLMENT**

Nazareth averages 2,300 undergraduates and 700 graduates enrolled each year, with approximately 850 degrees awarded annually. In recent years, 100% of incoming freshman students received some sort of financial aid.

## **ACADEMIC HIGHLIGHTS**

In fall 2019, Nazareth announced the School of Music to expand and elevate its undergraduate and graduate music programs. The School of Music is accredited by the National Association of Schools of Music (NASM). 250 students participate across six undergraduate programs in music, music education, music performance, music therapy, music business, and music composition, and three graduate programs in music performance and pedagogy, music education, and music therapy.

---

In spring 2019, Nazareth officially changed the name of the School of Management to the School of Business and Leadership. The new name highlights a focus on producing transformational leaders who are equipped and ready to lead effectively through times of change. The School of Business and Leadership more accurately reflects the breadth of programs of study offered in the business disciplines, which is more expansive than just the subfield of management. Prior to the name change, the College named Kenneth Rhee, Ph.D as dean of the School of Business and Leadership in spring 2018.

In spring 2019 Nazareth expanded the existing 3 + 3 law degree partnership with the University at Buffalo to also include Syracuse University. This program allows highly motivated law students to save time and money as they condense a typical seven-year law degree path into six years. Students following this program complete three years at Nazareth and three years at Syracuse University or the University at Buffalo.

Nazareth named Meghan Arena the vice president for enrollment and student experience in spring 2019. She came to Nazareth with 16 years of experience in higher education enrollment management and graduate and continuing education. In winter 2019, Kim Harvey was named as the assistant vice president of student engagement, overseeing residence life, conduct, student activities, and veteran affairs.

In the past four years, nine Nazareth students have won Fulbright awards, continuing Nazareth's strong track-record with the Fulbright program. Scholars have recently taught English in Brazil, Germany, Lithuania, Malaysia, Spain, and Taiwan.

With more than 60 undergraduate, graduate, and post-degree programs, a vibrant arts center, and a variety of co-curricular programs including athletics, clubs, organizations, and service programs, Nazareth prepares students not just for a job, but for their life's work. During the last four years, the College has added the following degree programs:

3 + 3 law programs with Syracuse University or the University at Buffalo	B.A., B.S. Public Health
M.M. Music Performance and Pedagogy	B.M. Music Composition
M.S. Business Leadership	B.S. Biomedical Sciences
M.S. Marketing Communications Leadership	B.S./M.S. Communication Sciences & Disorders/ Speech-Language Pathology (5-year program)
M.S. Leadership and Organizational Change	B.S. Design
M.S. Global Business and Leadership	M.S.Ed. TESOL and Adolescence Education
B.A. Museums, Archives, and Public History	

## **CAMPUS LIFE HIGHLIGHTS**

The class of first-year students has grown in recent years. With that, students have noticed an increasing availability of clubs and activities, more chances to study abroad, wider civic engagement opportunities, and more internships and experiential learning options than ever before.

Nazareth established a Diversity & Inclusion Division in spring 2018 to put more emphasis on the important work of helping all students feel valued and a sense of belonging in the campus community. As a result of initiatives and campus-wide dialogue in its first year, the division's name was changed to Community and Belonging in spring 2019. Ongoing efforts include recruiting and retaining diverse faculty, staff, and students; curricular and co-curricular work; professional development and education; and campus climate.

Nazareth launched the SPARK Grant (Students Pursuing Academic and Real-world Knowledge) in January 2018. The College offers \$1,500 grants to help cover undergraduate student costs for an unpaid or underpaid summer internship, international experience (study abroad and service trips abroad), or summer

---

research. SPARK is intended to help make possible great opportunities that can spark learning, growth, and connections that can be life-enriching, door-opening, and career-enhancing.

In May 2017, the College dedicated the Sulam Center, Nazareth's unique prayer space devoted to those of Jewish and Muslim faiths. The only one of its kind in the Rochester area, the new prayer space serves not only as a room for prayer but also as a space to promote spiritual inclusion for all faiths for Nazareth students and the wider community.

In fall 2016, the College launched the Center for Life's Work, combining the Internship Office, Career Services, and the Center for Civic Engagement. Unique to Nazareth, this progressive approach to mentored career planning begins in a student's first semester when they are paired with a career coach and continues beyond graduation day. Partnering with students, coaches help integrate studies in a student's major, the uncommon core (core curriculum), and experiential learning to create a path through college to careers and a life of meaning.

During the past four years, the number of international students sponsored by Washington-based non-governmental organizations and the U.S. State Department to come to Nazareth has increased, providing Nazareth students with a growing global perspective and cultural awareness. International students come to study at Nazareth from a range of countries, such as Burma, Tajikistan, Mongolia, and Zimbabwe.

## ATHLETICS

In February 2020, the men's and women's swimming and diving teams won the Empire 8 Championship. It was the first-ever conference title for the men's team and the third consecutive title for the women's team.

In fall 2019, Nazareth's men's soccer team won the Empire 8 Conference title for the first time since 2006. Nazareth's win over Alfred in the championship game extended the team's winning streak to 13 games, propelling the Golden Flyers to a 14-3-3 record for the season.

During the 2018-2019 school year, the Nazareth College women's hockey team took the ice for the first time in school history. The Golden Flyers had a memorable first season as they were

---

ranked 3rd in the country in scoring offense with 120 goals in just 26 games, and finished 11th in the country in scoring defense. The team was in second place in the UCHC conference regular season, and ended with a record of 19-5-2 overall.

In summer 2018, the athletics department changed the athletics logo. The change resulted in a new turf field, a new basketball court, and an updated website. In 2016 the athletics mascot got an all-new look and was named Swoop.

Nazareth has 26 intercollegiate athletic teams that compete at the Division III level. In recent years, Nazareth has won Empire 8 Conference championships in men's basketball, men's and women's swimming and diving, women's tennis, women's soccer, women's volleyball, men's soccer and men's lacrosse. The Golden Flyers have been represented at NCAA championship events in recent seasons for men's basketball, men's lacrosse, men's swimming and diving, women's swimming and diving, women's soccer, women's tennis, women's volleyball, along with men's and women's track and field.

## **AWARDS AND RECOGNITION**

In 2020, Nazareth was named as a finalist for Phi Kappa Phi's prestigious Excellence in Innovation Award. The honor recognized Nazareth's interprofessional education approach, which brings students from two or more disciplines together to learn with, from, and about each other to gain leading-edge skills that improve outcomes for the clients who are served by Nazareth's on-campus clinics. The York Wellness and Rehabilitation Center facilitates more than 15,000 clinic visits per academic year, and students and faculty collaborate across professions to address a wide range of needs.

In 2019, *Washington Monthly* – which rates colleges nationwide – ranked Nazareth #7 for amount of federal work-study funds dedicated to service jobs, among 606 master's universities across the U.S., a measure of Nazareth's strong support for students' engagement in the local community. During the 2018-2019 academic year, Nazareth students (undergraduate and graduate) contributed 250,000 hours of service to our local and global communities.

*U.S. News & World Report* has ranked Nazareth in the top tier of colleges and universities in the category Best Regional Universities—North in the last four years of listings in their America's Best Colleges guide. Nazareth has also made the guide's recent lists of Best Value Schools and Best Colleges for Veterans in the north region.

The *Princeton Review* has also placed Nazareth on its Best Colleges lists for the past four years. Based on student surveys, The *Princeton Review* has ranked Nazareth 18th for LGBTQ-Friendly, #12 for Town-Gown Relations are Great, and Nazareth is included as one of the Best Northeastern Schools.

In 2020, *Money Magazine* lists Nazareth College as a best value college, analyzing graduation rates, tuition charges, family borrowing, alumni earnings, and 22 other data points.

## AMERICA THE BEAUTIFUL

O beautiful for spacious skies, for amber waves of grain  
For purple mountain majesties above the fruited plain!  
America! America! God shed His grace on thee,  
And crown thy good with brotherhood, from sea to shining sea.

O beautiful for pilgrim feet, whose stern, impassioned stress  
A thoroughfare for freedom beat across the wilderness!  
America! America! God mend thine every flaw,  
Confirm thy soul in self-control, thy liberty in law.

---

## ALMA MATER

*Words and music by Sr. Kathleen Riley, S.S.J.*

Alma Mater, we salute thee, Alma Mater, school we love.  
Make us worthy of thy lofty standards and thy noble teachings prove.  
*Chorus: Cheer for Naz'reth College of fame; chant her praises, great is her name;  
Raise her colors, float them on high while singing Hail, to the college we love!*  
Alma Mater, home of wisdom, Alma Mater, shrine of truth.  
We will ever as thy sons and daughters bless the mother of our youth.

*Chorus*
