

Quick Reference Guide – Online Budget Submission Student Salaries

IMPORTANT CONSIDERATIONS

- The student salaries budget is separate and distinct from the operating expense budget
- The work study expense object code is 51022
 - o 60% of the student's hourly rate is charged to the Federal work study account
 - o 40% of the student's hourly rate is charged to the department account
- The non-work study expense object code is 51020
- A copy feature is available for student salaries and work study to save you time. The "+ Copy" button allows you to copy the budget request for the prior year (eg. 2021) and prepopulate the new budget year (eg. 2022). You can then edit the FY 2022 budget request as needed. See below for instructions.

General Login

1. Go to your browser and type in : <https://budgeting.naz.edu>
 * Available on and off campus
2. Log in with your MyNaz user name and password
3. Click the "Sign In" button

Create New Budget Request (Note: To save time see "Copy to New Year" feature below)

1. In the "Create New Budget Request" box type a description of the expense or a department such as:
 - o *Student Salaries - 51020*
 - o *College Work Study - 51022*
2. Click the "Create Request" button.
3. Provide a brief justification for the request and criteria that will be used to assess the outcomes of the position's work.
 - o Specify if this request is an increase over the current year budget.
 - o Note if this request was part of the Center for Life's Work Enhanced Student Employment Program.

****Any increases need to be approved by your respective dean or vice president and tie to the strategic plan and/or institutional goals****
4. Enter a position title/description and total hours requested for that position.
 - o A formula is built-in to calculate the total dollars for each position with a grand total of hours and dollars for all positions displayed at the bottom of the page.
5. Any summer hours requested should be entered as a student salary request – not work study
6. When finished click the "Save Request" button.
 - o Saving submits your request, but you have until the deadline to make changes.
7. Click the "Go Back" arrow and enter your next request.
