How to Submit Your Work for CARS via Symposium

1. Navigate to the submission page: symposium.foragerone.com/cars-2021/submission

2. To begin, fill out your personal information. Include additional presenters if appropriate.

Major/Department*

Note: Your response here may differ from the subject area for your presentation.

3. Next, enter your Presentation Information. It does *not* need to be exactly the same as your original submission to CARS, but should be close. The information here includes your Title, an Abstract or Description of your presentation, presentation subject area, and the name of your Faculty Sponsor.

Reminder: You need to find either your poster number or presentation group from the CARS program to add to this part of the registration.
