REQUIRED HEALTH INFORMATION

All new students (including commuters) must complete the following steps **by July 31** to be eligible to start classes and/or move onto campus:

- Have your student obtain a copy of their immunization/vaccine record (s) record from their doctor's office, previously attended college, the military, or high school. NYS requires two MMR vaccines and proof of the meningitis vaccine within the last five years, or a signed meningitis waiver which is available through the health portal. At the time of printing this book, NYS does not require the COVID vaccine; however, Nazareth requires students and employees to be fully vaccinated for COVID-19 and receive a booster when eligible. Limited medical and religious exemptions are granted. If your student wishes to be considered for an exemption, please have him/her contact health@naz.edu to request an exemption form, providing their name and type of exemption they are seeking. All exemption requests and related documentation should be completed by students, not parents.
- Starting **48 hours after their deposit is paid** to Nazareth College, your student can log in to our health portal, naz.edu/health-portal, using their MyNaz username (such as `ksmith2`) and password.
- Have them manually enter their immunization/vaccine dates, health history, and health insurance information. They will also need to **upload a copy of their official immunization record (including documentation of the COVID vaccine/booster if they have received it)** directly into the portal. Instructions are provided in the portal. **Note:** If your student has a physical exam scheduled during the summer of 2022, please have them upload as much information as they can by the deadline of July 31, and then provide any new information (i.e.: immunizations received, new medical/mental health diagnoses, medications, surgeries, etc.) after their summer physical exam. Questions: email health@naz.edu

- Students who have not submitted their information by fall semester will incur a **non-refundable fee of \$100** charged to their student account, and they will be unable to register for classes for the following semester.
- **Questions?** New students can ask questions and get answers to medical and mental health related concerns by emailing us at health@naz.edu. Current students can also message us through the health portal at naz.edu/health-portal

RESIDENTIAL LIFE

More info: naz.edu/residential-life

- **CLOSED DURING BREAKS:** Residence halls are officially closed during Thanksgiving, winter, and spring recess. Room and board payments do not cover these periods. Students may request and apply for extended housing options to remain on campus; however, space is limited and additional charges may apply. Refer to the Student Handbook for Residence Life Policies for details at naz.edu/student-handbook
- **PLANNING FOR NEXT YEAR:** On-campus residency for first-year and second-year students is required. Students will need to begin planning to secure housing for their return to campus for fall semester in February. All returning students must go through the housing selection process. Any student with a hold status on their student account will not be eligible to participate in the housing selection process. Students are encouraged to check their account balances in NazNet Self-Service

to ensure that they are eligible to participate prior to the start of the housing selection process.

- **RESIDENT ASSISTANT SUPPORT:** There are resident assistants (RAs) located in each hall. Resident assistants help to create inclusive and healthy communities on campus, with some areas of focus being community development, programming, and health and safety.
- **INVOLVEMENT:** There are a number of events and programs that residents can participate in that are uniquely created for the needs of their community. These programs range from adjusting to the Nazareth Community, to exploring the impact that Nazareth has on their local Rochester community.

MAIL AND PACKAGES

More info: naz.edu/central-mail-services

Phone: 585-389-2069

Email: lsulliv7@naz.edu

ADDRESS MAIL AND PACKAGES TO YOUR STUDENT LIKE THIS:

Full First and Last Name (legal name please and consider using a middle initial to speed up processing and ensure accuracy)

Central Mail Services
Nazareth College
4245 East Ave
Rochester, NY 14618

- Students are notified via their Naz email when they receive first-class mail or packages.
- Packages are not considered received until we (not Amazon, UPS, etc.) notify the student via email.
- Packages can be shipped prior to your student's arrival on campus (e.g. before move-in day).
- For flowers and perishable packages, the email notification to your student will specify "perishable." Perishable items not picked up at Central Mail Services by 4 p.m. on Friday can be picked up in Campus Safety over the weekend. Anything still not picked up will be returned to Central Mail on Monday, and students can pick up from there.
- Central Mail Services receives many "mystery packages" with just a first name, or even no name at all. Please clearly label the full name of your student to ensure there is no confusion once the package arrives on campus.

Financial MATTERS

FINANCIAL AID

More info: naz.edu/financial-aid

Phone: 585-389-2310

Email: finaid@naz.edu

Fax: 585-389-2317

- **ENCOURAGE YOU STUDENT TO ACKNOWLEDGE AND/OR ACT ON FINANCIAL AID EMAILS.** In year one through graduation, we communicate to the student directly via the student's Naz email. Encourage them to respond to us promptly. Aside from periodic loan disbursement disclosures, if we are emailing the student, chances are very high that we need them to do something in order for us to complete their financial aid.
- **HAVE YOUR STUDENT AUTHORIZE YOU AS AN AUTHORIZED USER/PROXY.** You need to be listed as an authorized user (a.k.a. proxy) before we can discuss the specifics of your student's financial aid record with you. Set it up at naz.edu/proxy
- **FILE A FAFSA BEGINNING OCTOBER 1.** Returning students can file a FAFSA beginning October 1 each year. Early filing supports early financial aid processing. This is extremely helpful if your student wants to participate in a summer SPARK grant eligible program (pg. 25).

- **PARENT PLUS STUDENT LOAN OR PRIVATE STUDENT LOAN.** You will need to apply for a new Parent PLUS loan or private student loan each academic year. These applications should be initiated after you have seen the fall bill in early July.
- **COMPLETE ALL MISSING INFORMATION DOCUMENTS ASAP.** We begin sending students "Missing Information Emails," which list all documents needed for the next financial aid cycle, in spring of their freshman year. Please encourage them to respond as soon as possible.

BANKING ON CAMPUS

- **ATM ON CAMPUS.** An M&T Bank ATM is located in the lower level of Shults Center, next to Campus Safety.
- **BANKS WITHIN A MILE OF CAMPUS:** Bank of America, KeyBank, Citizens, Charter One, Canandaigua National Bank & Trust, M&T Bank, ESL Federal Credit Union, and Tompkins Bank of Castile.

PART-TIME JOBS FOR COLLEGE STUDENTS

More info: naz.edu/work-study-campus-jobs

Phone: 585-389-2878

Email: cflw@naz.edu

What you should know:

Deciding whether to seek an on-campus job is an important decision for new students. Research shows that working reasonable hours (15 hours or less per week) at an on-campus job is associated with improved time management skills and academic success. Employment exceeding 15 hours a week challenges a student's ability to succeed academically. We do encourage students to work on campus, not just as a source of income, but as an opportunity to build skills, make contacts, and engage with our community. At Nazareth, students who work on campus are more likely to graduate in four years.

To get hired on campus, students should:

- **PRESENT ORIGINAL COPIES OF IDENTIFICATION AT PAYROLL OFFICE.** Proper ID will be required to complete the I-9 form and can be brought to the Payroll Office in Smyth Hall (Smyth 40). **Photo ID and original social security card** are common, although other forms are acceptable. Visit naz.edu/payroll for more details of acceptable forms of ID. **Please note that original forms of ID must be presented. Copies or reproductions of any sort cannot be accepted per I-9 instructions!** For this reason, parents often find it helpful to have their students present original ID to the payroll office during move-in, in Smyth Hall, Room 40. Once the Payroll Office has verified the original IDs, parents may bring them home. Students must complete the I-9 form, including the proper forms of ID, before they can work on campus.
- **REVIEW ON-CAMPUS JOBS ON HANDSHAKE BEGINNING IN AUGUST.** Students are sent login information for Handshake in mid-July.
- **WATCH FOR MORE INFORMATION THROUGHOUT THE SUMMER ON WAYS TO CONNECT THROUGH HANDSHAKE AND WITH DEPARTMENTS ABOUT ON-CAMPUS JOBS.** Links and details to come
- **ATTEND THE ON-CAMPUS PART-TIME JOB FAIR, AUGUST 28**
- CONTINUE TO MONITOR ON-CAMPUS JOBS ON HANDSHAKE AND APPLY TO ALL OF INTEREST.
- RESPOND TO PHONE CALLS OR EMAILS FOR INTERVIEWS OR HIRING OFFERS FROM DEPARTMENTS.

If your student has not found a job by the end of the first week of classes, they should visit the Center for Life's Work in GAC 104 and meet with their career coach if they are still having difficulty.

COMMUNITY & BELONGING

More info: naz.edu/community-belonging

Phone: 585-389-2303

Email: belonging@naz.edu

What you should know:

The mission of the Community and Belonging (naz.edu/belonging) division is rooted in Nazareth College's founding values of solidarity and social justice. These guiding principles ensure an intentional commitment to diversity, equity, and inclusion in which each person's lived experience is not only acknowledged, but honored. Nazareth is dedicated to the active pursuit of conscious and sustained practices and processes that value and respect differences. This commitment informs our curriculum, teaching, learning, scholarship, creative activities, co-curricular activities, residential life, community involvement, and support of these endeavors by the Nazareth community.

The responsibility for building community lies within each of us. This commitment is campus-wide and includes the following offices:

- **CENTER FOR SPIRITUALITY (CFS):** Encourages students to explore their own spirituality, dialogue with others and engage with the world around them. Nazareth College has long recognized the importance of spiritual growth in the development of the whole person. The Center for Spirituality is committed to fostering an environment where students, staff, and faculty can practice their own religious/spiritual tradition while offering many opportunities for discovery and dialogue with people who hold a belief system different than their own. Center for Spirituality chaplains serve students, staff, faculty, alumni, and other members of the Nazareth community. Please feel free to contact any of the chaplains listed if we ever can be of service, Naz.edu/spirituality/contact-us.
- **OFFICE FOR DIVERSITY AND INCLUSIVE EXCELLENCE EDUCATION (ODIEE):** Develops as well as facilitates ongoing educational programs, workshops, trainings, and initiatives (curricular and co-curricular) that engage students, faculty, and staff within and across differences. Additionally, the office provides outreach, advice, and resources to campus leaders on diversity and inclusion practices to assist faculty, staff, and students in creating and sustaining an inclusive campus community.
- **STUDENT ACCESS AND ACHIEVEMENT PROGRAMS (SAAP):** Comprised of the Arthur O. Eve Higher Education Opportunity Program (HEOP), the Young Scholars Program, and First Generation Student Initiatives. This department supports a variety of students throughout their time at Nazareth by implementing best-practice support services in the following areas: personal/social, academic, financial aid, and careers. SAAP provides individual counseling, academic, cultural, educational, and social activities/events designed to develop students holistically. Additionally, the department assists in providing students opportunities for internships, research, study abroad, and continuing their education beyond the undergraduate level.

SAAP IMPORTANT DATES:

- Summer Start program: **July 11-August 5**
- All required student forms are due **by July 1**: housing application, fall course selection survey, health and immunization records (via Health Portal), liability form, dietary restrictions, and student success contract. HEOP only: financial data worksheet and tax transcript.
- **TITLE IX:** The Title IX Office collaborates with students, faculty, and staff to foster a campus climate free from sex- and gender-based discrimination and harassment, sexual violence, stalking, and intimate partner violence, through clear and effective policies, a coordinated education and prevention program, and prompt and equitable procedures for resolving complaints. The Title IX Office provides a neutral resource for all campus community members including students, parents/guardians, employees, and visitors.
- **NAZARETH BIAS RESPONSE EDUCATION TEAM (NBRET):** Understanding that growing a Community of Belonging is a shared community responsibility, NBRET comprehensively, collaboratively, and consistently works to address bias incidents that affect Nazareth College students, faculty, staff, and community members through education and restorative practices.
- **LIFEPREP@NAZ:** an innovative program designed to provide individuals with disabilities with a college experience, strengthening their life skills, self-sufficiency and independence. Nazareth students serve as paid mentors, providing consistent peer to peer interaction and gaining first-hand experience and skills. The mentors assist and support LifePrep students in LifePrep and Nazareth classes and accompany them to lunch, as well as their on-campus and off-campus vocational experiences.
