

Help Harry Potter Save the Planet!

Most of the magical science experiments at this camp will follow the

3 'R's: Reduce, Reuse, Recycle! For example, use the spell, "Protego!" to protect your egg inside reused recyclable materials as you drop it from 2 stories high!

Take a Herbology class to learn about the magic of plants and growing your own.

Oil spill in the ocean harming the environment? No problem with "Accio!" and our magical solution! Join us for some magical fun!
