<b>Additional Costs Subtotal</b>	<b>\$6,115</b>	<b>\$2,967</b>

<b>Estimated Total Cost Per Year</b>	<b>\$73,708</b>	<b>\$60,890</b>
<b>Estimated Total Program Cost</b>		<b>\$134,598</b>

\*Other indirect expenses may include, but are not limited to: an up-to-date physical examination, tuberculosis screening, MMR, tetanus, varicella, hepatitis B, influenza, COVID vaccinations and/or titers to prove immunity.

\*\*Students are responsible for any costs associated with drug screenings and/or additional background checks which may be required by a clinical site.

<sup>°</sup>Students are responsible for all clinical travel expenses, including transportation, meals and housing. These expenses are variable and will likely increase with clinical sites at greater distances from the student, which may be assigned depending on site availability and student preferences.

<sup>▲</sup>Testing software will work on most computers purchased in the last 3 years. Refer to the website for specific technology requirements.

<sup>^</sup>The University's Student Accounts will generate a bill to the student for these expenses.

<sup>^</sup>These fees and incidental costs will be paid by the student directly to other parties at various times throughout the program.
