Reason for Request

Timeline Waiver

A waiver of the five-year requirement may be granted if there is a continuous employment history that would demonstrate knowledge of the course content. Knowledge-based testing does not satisfy any of the prerequisites.

Please check the prerequisite course below that requires a waiver. ***Please select only one course per form.***

<input type="checkbox"/> Human Anatomy & Physiology I with Lab (4)
<input type="checkbox"/> Human Anatomy & Physiology II with Lab (4)
<input type="checkbox"/> Medical Terminology (1)
<input type="checkbox"/> Biochemistry / Organic Chemistry (3)
<input type="checkbox"/> Microbiology with Lab (4)
<input type="checkbox"/> Genetics (3)

In the section below, please indicate which option from above that you are documenting in your waiver request.

Employment History: (Experience demonstrates knowledge of the course content – Please explain in detail referencing the prerequisite course.)

Academic History: (Comparable or complementary experience – Please explain in detail referencing the prerequisite course.)

Please attach any additional documentation to support your explanation.
