Dan Stallone
Jewish Senior Life
2021 Winton Road South
Rochester, NY 14618

Dear Mr. Stallone:

Enclosed please find my resume in application for the physical therapist position posted to the Nazareth College Hire-A-Flyer website. In May of this year I will complete my Doctor of Physical Therapy degree at Nazareth College and plan to take the National Physical Therapy exam this summer. It is my hope to begin my professional career working with a senior population and I am very attracted to the values espoused by Jewish Senior Life to honor families and help seniors to age well in their place of choice.

My program of study has included both full-time and integrated clinical experiences working with a wide range of populations with varying conditions including orthopedic, acute care, and post-surgical rehabilitation needs. Of interest to you might be my full-time clinical experience at the Highlands of Brighton, where I evaluated and treated geriatric clients with fractures, CVA, THR, TKR, wound care and other special needs. I truly enjoyed working with this population and helping them to return to the best possible level of functioning in their lives.

I also had the opportunity to work with an older population during my clinical experience at Lakeside Memorial Hospital in Brockport. During this experience I had the chance to work as part of an interdisciplinary team, which I hope might be the case at Jewish Senior Life. Together we were able to better serve the needs of our patients and care for them in a more holistic fashion. The team approach also allowed for greater creativity in developing treatment plans that met individual patient needs.

You will find me to be a dedicated professional who truly enjoys helping others improve their lives. I would appreciate an opportunity to meet with you to discuss my qualifications for this position. You can reach me at (585) 111-1111 or by e-mail at ptperson@hotmail.com.

Sincerely,
