4. Tap the class you are interested in.

If the course has variable credits, go to number **5**.

If there are *no* variable credits, skip to number **6**.

5. For courses with variable credits, enter the number of credits for which you plan to take the course and tap "OK."

6. Once your class is selected, there will be a blue check mark next to the course, and you can then tap the black bar with "Add To Cart" when you are ready.

> 7. Once you have "Added to Cart," You will get a popup alert. Tap "OK." **THIS DOES NOT REGISTER YOU FOR THE COURSE.**

From there, you may tap the "cart" icon to register, or you can tap the magnifying glass to search for additional courses.

8. When you are in the cart, select the courses you wish to register for. You can have more than 15 items in your cart at a time, so be sure to include the courses you plan to take as well as at least 2 back-up alternatives if the class you want is full.

9. When prompted, tap"Register." This will registeryou for classes.
