- Lot G/H (York Wellness)
- Lot L (George)
- Lot M (Boiler House)
- Lot P (Stadium)
- Lot Q (GAC)
- Temporary Lot (Peckham)

IMPORTANT REMINDERS FOR ALL

- All students, faculty and staff are required to obtain a parking permit that must be displayed at all times. Students must register/renew at the start of each semester and faculty and staff must register/renew annually.
- Vehicles not registered with Campus Safety, not parked in an appropriate space or lot, or not displaying a valid parking permit will be ticketed, towed, and may be subject to loss of parking privileges.
- When inviting guests/visitors to the campus it is important they be directed to F lot and visitor designated spaces in A lot. To avoid receiving a citation, encourage visitors/guests to procure a visitor parking pass from the Campus Safety website.
- Parking policies remain in effect at all times. Park only in designated spaces and lots, and in accordance with your permit assignment. Blocking or parking in fire lanes, roadways, grass, walkways, sidewalks and loading docks is strictly prohibited.
- Throughout the course of construction we will work closely with contractors, and will rely on the campus community to read and adhere to communications related to lot closures or other redirection as it becomes necessary for safety and special event management. We are also developing temporary parking alternatives that will alleviate crowding.
