

Finding PI, P(EQ) and P(EQ)FYS Sections in NazNet

There are now separate subjects for the P(EQ) and P(EQ)FYS courses, which you can see in the *Subjects* drop-down menu in the *Search for Sections* screen in NazNet. Please see the P(EQ) FAQ's for more details about P(EQ) and P(EQ)FYS courses.

NazNet Search

To retrieve all PIs and P(EQ)s for a specific subject, we recommend that you select the regular subject and select "PI – Perspectives I" from the *Course Attributes* menu. In addition, select the same subject with the ".Q" (or ".F") added. See note at bottom of page 2 for important information about courses with the ".F" designation.

Subjects	Course Attributes	Course Number	Section
PSY - Psych-See PSY.Q for more PI's	PI - Perspectives I		
PSY.Q - Psychology P(EQ)			

If you are only interested in finding PI's, regardless of subject, leave the subject line blank in *Search for Sections* and select "PI – Perspectives I" from the *Course Attributes* menu. Because P(EQ)'s count as PI's, all PIs and P(EQ) offerings will appear in the search results.

(See next page for screen shot)

Finding PI, P(EQ) and P(EQ)FYS Sections in NazNet

Search for Sections

Term: 12/SP - Spring 2012
