

**OFF-CAMPUS EXPERIENCE:
COVID-19 STUDENT ACKNOWLEDGEMENT**

You have voluntarily elected to participate in an off-campus experience at _____
_____(the "Site") in connection with _____
NAME OF COURSE OR PROGRAM

The novel coronavirus, COVID-19, is a highly infectious, life threatening disease declared by the World Health Organization to be a global pandemic. There is no current vaccine for COVID-19. COVID-19's highly contagious nature means that contact with others, or contact with surfaces that have been exposed to the virus, can lead to infection. Additionally, individuals who may have been infected with COVID-19 may be asymptomatic for a period of time, or may never become symptomatic at all. Because of its highly contagious and sometimes "hidden" nature, it is currently very difficult to control the spread of COVID-19 or to determine whether, where, or how a specific individual may have been exposed to the disease.

During the COVID-19 pandemic, the Site may be required to follow certain federal, state, and local requirements in order to protect health and safety. Nazareth College does not exercise any control over the Site or the specific safety protocols adopted by the Site in response to the COVID-19 pandemic. Nazareth College strongly recommends that you follow the specific safety protocols established by the Site, including those temporarily in place due to the pandemic. Additionally, Nazareth students who participate in off-site experiences are expected to and agree to comply fully with all applicable College policies, procedures and rules, which may change from time-to-time.

As a participant in this off-campus experience, you voluntarily assume all risks related to exposure to COVID-19 while at the Site.
