

## Declaration of Finances (Confidential)

All undergraduate and graduate international applicants, both those applying from outside the United States and those currently in the United States, must:

- complete and send in this form
- provide evidence of funding (in U.S. Dollars) to cover one year's expenses\*
- provide a copy of your passport

These items are required after you receive your admissions decision from Nazareth College Admissions. They are mandatory to enter Nazareth College. Sending them promptly ensures a successful visa application.

U.S. Citizenship and Immigration Services requires all students provide evidence of adequate funds to meet the financial obligations of enrollment at a U.S. university. The combined U.S. dollar amount from your sponsor(s) must equal or exceed the estimated expenses for one academic year minus any scholarships provided from Nazareth College. (You'll receive notice of any scholarship awards along with your application decision notification). Bank verification of funds must not be older than one year.
