Asbury Dining Center

The Dining & Caring Center is a place where all in the Rochester community are invited to receive nutritious meals and other supportive assistance in a respectful, welcoming environment. With only one full-time paid staff member and more than 250 volunteers, we work hard to meet the needs of those who hunger both physically and emotionally. Serving more than 30,000 meals annually and assisting with job placement, health issues, and housing, guests leave with full stomachs and a sense of hope for the future.
