[Search for Sections](#)

Find Your Courses

- Select Fall 2020 from TERM drop down menu
- Enter **subject** and **number** from the drop down menu (this will show all sections)

BLDR*305*02 (18786) Legal Env of Bus Ldrshp	Online synchronous course; meets remotely during posted days/times. Instructor will provide additional information.*Course Codes: AB. Prerequisite: Sophomore*status.	08/17/2020-11/23/2020 Online Monday, Wednesday, Friday 12:30PM - 01:20PM, No Room, Room REQD	Online or Hybrid courses will be noted here.
Any notes for the course will show here.			

If your course is coded as hybrid, and there are no specific notes, then the instructor will be in touch to provide more information as the semester start draws closer.

Search by "How Courses will be Taught" (Online, Hybrid, or In Person)

- Select Fall 2020 from TERM drop down menu
- Enter subject from the drop down menu
- Select from the "course attributes" drop down menu (see list below) and hit Submit
- Note – you can also just search by subject to see all courses in any given subject area without adding any course attributes to the search.

Special "course attributes" in use for Fall 2020 (note – these are not in alpha order in the drop down)

- FIP – Fully In-Person (*fully on campus*)
- ONL-FA – Online Synchronous (*comments added to courses with this attribute*)
 - **Meets online together** at specific days/times
- ONLINE – Online Asynchronous (*comments added to courses with this attribute*)
 - There are **no specific days/times** when students meet **online** for this course
- HYB2 – Hybrid, Full Room Capacity (*partially on-campus, partially online*)
 - This is a hybrid course, but when it meets in-person, all students will be present
- Additional Hybrid Codes (*partially on-campus, partially online*)
 - HYB – Hybrid course, but students may not be able to all meet together at the same time
 - HYR – Hybrid course, with students rotating when they are in person (e.g., studio courses)
 - HYVL – Hybrid course, "virtual lecture equipment" used as students take turns in person
- **NOTE – for all hybrid courses, faculty will reach out to provide the specific plan for your courses**

Example using HIS as the subject, and ONL-FA (Online Synchronous) as the instructional method:

Term	Status	Section Name and Title	Comments	Meeting Information
