

**Recommendations and Student Essay
Berlin Residential
Program**

Two recommendations and the student essay are required for application to the Berlin Residential Program. One recommendation should come from a professor who knows your work well, such as your academic advisor, your professor for foreign language and literature (German professor, if possible), or a professor in your intended major academic discipline. The second recommendation should be written by someone from your home community, such as a high school teacher or counselor, a leader from your religious tradition or a former employer. (This personal recommendation cannot be completed by a relative or domestic partner.) You **must** fill in certain items on each of the two recommendation forms before delivering or sending them to the referees for completion. Also, provide an envelope and proper postage, addressed to:

**Dr. Lisa Cerami, Berlin Residential Program
Foreign Languages and Literatures Dept.
Nazareth College of Rochester
4245 East Avenue
Rochester, NY 14618-3790**

(Tel.: 585-389-2359)
(Email: lcerami5@naz.edu)

The essay is to be written by you, preferably handwritten, in which you explain why you want to study at the Berlin Residential Program. Respond to the questions on the essay form, and add any other information you believe is suitable. Confine your essay to the essay form. You may use the reverse side for additional information. Your essay must be signed by you.

The application for the Berlin Residential Program is considered complete only upon the return of all required documentation, including both recommendations and your essay.

Send **two passport size photos** with your application. Write your name on the reverse side of each photo.
