## VPAA Council Meeting Minutes

May 9, 2019

1. Andrea – Attendees provided updates to the 2018-2019 Academic Affairs Goals. Report due to Andrea on May 13. Meeting to discuss 2019- 2020 Academic Affairs Goals on May 31<sup>st</sup>; draft due May 20.
2. Announcements:
  - a. Andrea announced that the Maker Space construction in the library will begin soon. She also shared information regarding the upcoming space planning process. This process will request input regarding how existing space is used and potential re-envisioning. One area that will be assessed is the lower level of the library; potential to make this a full service space for a variety of student and faculty teaching and learning services.
  - b. Plans for the 2020 Commencement Ceremony and events are being discussed. Commencement will return to the campus next year, with two ceremonies: graduate and undergraduate. Additional details to be worked out with input from faculty and students.
