Every student applying for a student visa must first complete an online application with Campus France. The completion of the Campus France procedure is a mandatory prerequisite to the student visa application. Complete your Campus France as early as possible so that you have enough time to apply for and receive your visa before your departure. For more information, please visit: www.usa.campusfrance.org and click on “Visas.”

The French Consulate requires all applicants to appear IN PERSON at the consulate to apply for a student visa. In order to schedule an appointment at the New York Consulate, visit its official website. Your passport containing your issued visa will be returned to you using a secure form of delivery provided by you at your appointment (USPS, FedEx, or UPS). You may not apply for your student visa more than 90 days prior to your departure. However, you should apply as soon as possible as it may take up to 7 weeks to receive your visa.

**WHO NEEDS TO APPLY FOR A VISA?**

Official regulations from the French Consulate require students staying longer than 3 months to obtain a student visa. Since one semester lasts approximately 3 and a half months, ALL Rennes Program semester participants must apply for a student visa.

Important Reminder: You cannot enter France with a tourist visa and then apply for a student visa. Nor is Nazareth College responsible for any problems you may have if you do not obtain a student visa.

**WHERE ARE THE STUDENT VISAS ISSUED?**

Student visas are issued in the United States by the French Consulate. You cannot obtain a student visa once you are in France. The French Consulate in New York has jurisdiction over the following States: New York, New Jersey, and Connecticut.

Even if your permanent residence is not within the jurisdiction of the New York Consulate, you can still apply for your student visa there because Nazareth College is located in the state of New York.
