WHAT'S THE BIG IDEA?

BE/LONGING:

We all wish to belong... to a friendship, to a family, to a community. When we belong we feel connected, valued, and supported. And while there is comfort in solitude, loneliness leaves us feeling disconnected, isolated, and adrift. We long to belong. A lack of belonging is felt by the individual, but the responsibility to offer belonging belongs with the group. How can we feel like we belong when no one has reached out a hand of welcome and support? When we belong, feel seen, heard, understood.
